End-of-Term Newsletter (Second Term, 2025/2026 Academic Session)

COMPLIMENTS

Warm greetings to you in the name of our Lord and Saviour, Jesus Christ, who has graciously preserved us throughout this term. We sincerely appreciate all our parents and guardians for your unwavering support and commitment to the growth and progress of this great academy; the Citadel of Excellence. May the Almighty God richly bless and reward you all.

VACATION/RESUMPTION

The second term of the 2025/2026 academic session officially ends today, the 27th of March, 2026. As the children embark on this break, we pray and trust that they will enjoy a restful and rewarding holiday.

Kindly note that school will resume for the third term on 20th April, 2026. All students are strongly advised to resume on this date, as teaching and learning activities will commence immediately.

END-OF-TERM RESULTS

The second term results will be uploaded on the school website and made available for viewing from 3rd April 2026. Parents are encouraged to visit the website on or after this date to check their wards' results.

EXTENSION CLASSES

To adequately prepare students in JSS 3, SSS 2, and SSS 3 for their external examinations, the school will conduct extension classes as follows:
Duration: 30th March 2025 – 18th April 2025.
Time: 9:00 AM – 2:00 PM (Monday – Saturday).

HOLISTIC DEVELOPMENT ACTIVITIES

Our learning environment is designed to support the overall growth of the learner, not just academically, but in all areas of life. It is in this regard that we celebrated our Cultural Day this term. It was a successful event that unpacked a variety of enjoyable activities that served as practical tools for learning values, identity and unity among our students. It is our goal to unfold several other such informal learning opportunities to our students per term.

TUITION COMPLIANCE

We appreciate all parents who have paid their children's school fees for this term. While many have complied, it is important to note that some parents have either made only part payment or have not paid at all.

The management kindly appeals to all parents to make tuition payment a priority. We wish to use this medium to inform parents and guardians that only learners whose fees have been paid will be permitted to begin classes upon resumption. This is respectfully requesting all parents to complete payment to avoid any interruption in their children's learning. Your cooperation in this regard will ensure smooth academic activities for all students.

IMPORTANT: Please note that only students who have completed or paid full tuition will be allowed access into school to participate in the external examinations.
